VILLANOVA

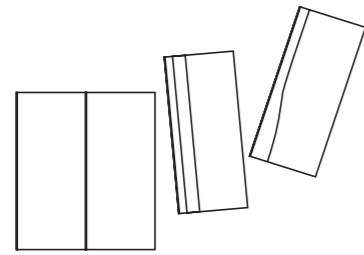

armadi WARDROBES

Un programma armadi che combina un'elevata versatilità ad un'estetica sempre più personalizzabile. La purezza delle forme, l'utilizzo di nuovi materiali permettono di interpretare con spontaneità i trend dell'abitare. L'armadio è concepito non solo come guardaroba ma come uno spazio contenitivo da organizzare e disporre in qualsiasi luogo della casa.

A wardrobes collection that combines a high versatility with a design more and more customizable. The purity of shapes and the use of new materials allow interpreting spontaneously living-style concepts. The wardrobe is not only conceived as a cupboard but as a space to organize and to use in every place of the house.

Une gamme armoire qui combine une haute versatilité et une esthétique de plus en plus personnalisable. La pureté des formes et l'utilisation de nouveaux matériels permettent d'interpréter spontanément les tendances de l'ameublement. L'armoire est conçu pas seulement comme un garde-robe mais comme un espace pour contenir à organiser et à disposer dans n'importe quel lieu de la maison.

progetta il tuo **armadio**

La nostra è una proposta di arredo trasversale e versatile. Sugeriamo soluzioni per organizzare lo spazio e ottimizzarlo al meglio. La personalizzazione dell'armadio avviene attraverso un programma completo e ricco di opportunità compositive, tra cui orientarsi con semplicità ed immediatezza.

Our proposal is transversal and versatile. We suggest solutions to organize space and to optimise it as well as possible. The personalization of the wardrobe happens via a complete and rich program of compositions opportunities, where you can orient yourself with simplicity and rapidity.

Notre proposition de mobilier est transversale et adaptable. Nous sougérons des solutions pour organiser l'espace et l'optimiser au mieux. La personnalisation de l'armoire se passe à travers un program complet et riche en opportunités compositives, où s'orienter avec simplicité et vitesse.

UNO DEI NOSTRI **PLUS**

L'anta in tamburato

è leggera e robusta, stabile all'apertura, solida alla presa, più significativa nell'estetica dell'armadio.

1. ANTA BATTENTE E SCORREVOLE sp. 22 mm
 Th. 22 mm HINGED AND SLIDING DOOR
 PORTE BATTANTE ET COULISSANTE ép. 22 mm

2. ANTA BATTENTE IN TAMBURATO sp. 25 mm
